

We have had many
compliments about the
"new look" sanctuary.

In appreciation of a
job "well done" I
thank you.

Sincerely,

Dear Dale,

Many thanks for the
wonderful work you and your
helpers did at the Carrying Place
United Church.

It has given the sanctuary
a new image and greater
comfort. It is much brighter
and warmer on the feet!

The choir loft is more
open and attractive in
appearance - a more
modern look!
